

Vision Funnel

Product Catalogue

Table of contents

Funnel sizes	3
Safety funnels with valve for HPLC waste containers	4
Safety funnels with valve for general waste disposal	6
Safety funnels with lid	8
ESD Safety funnels	10
Safety funnel system	12
Part numbers	14

Funnel sizes

Parameters of the different funnel types

Volume: 1180ml

Available sizes:
DIN60/61

Volume: 320ml

Available sizes:
DIN60/61; ¹GL45/DIN45

Volume: 4550ml

Available sizes:
DIN60/61

Volume: 1000ml

Available sizes:
DIN60/61

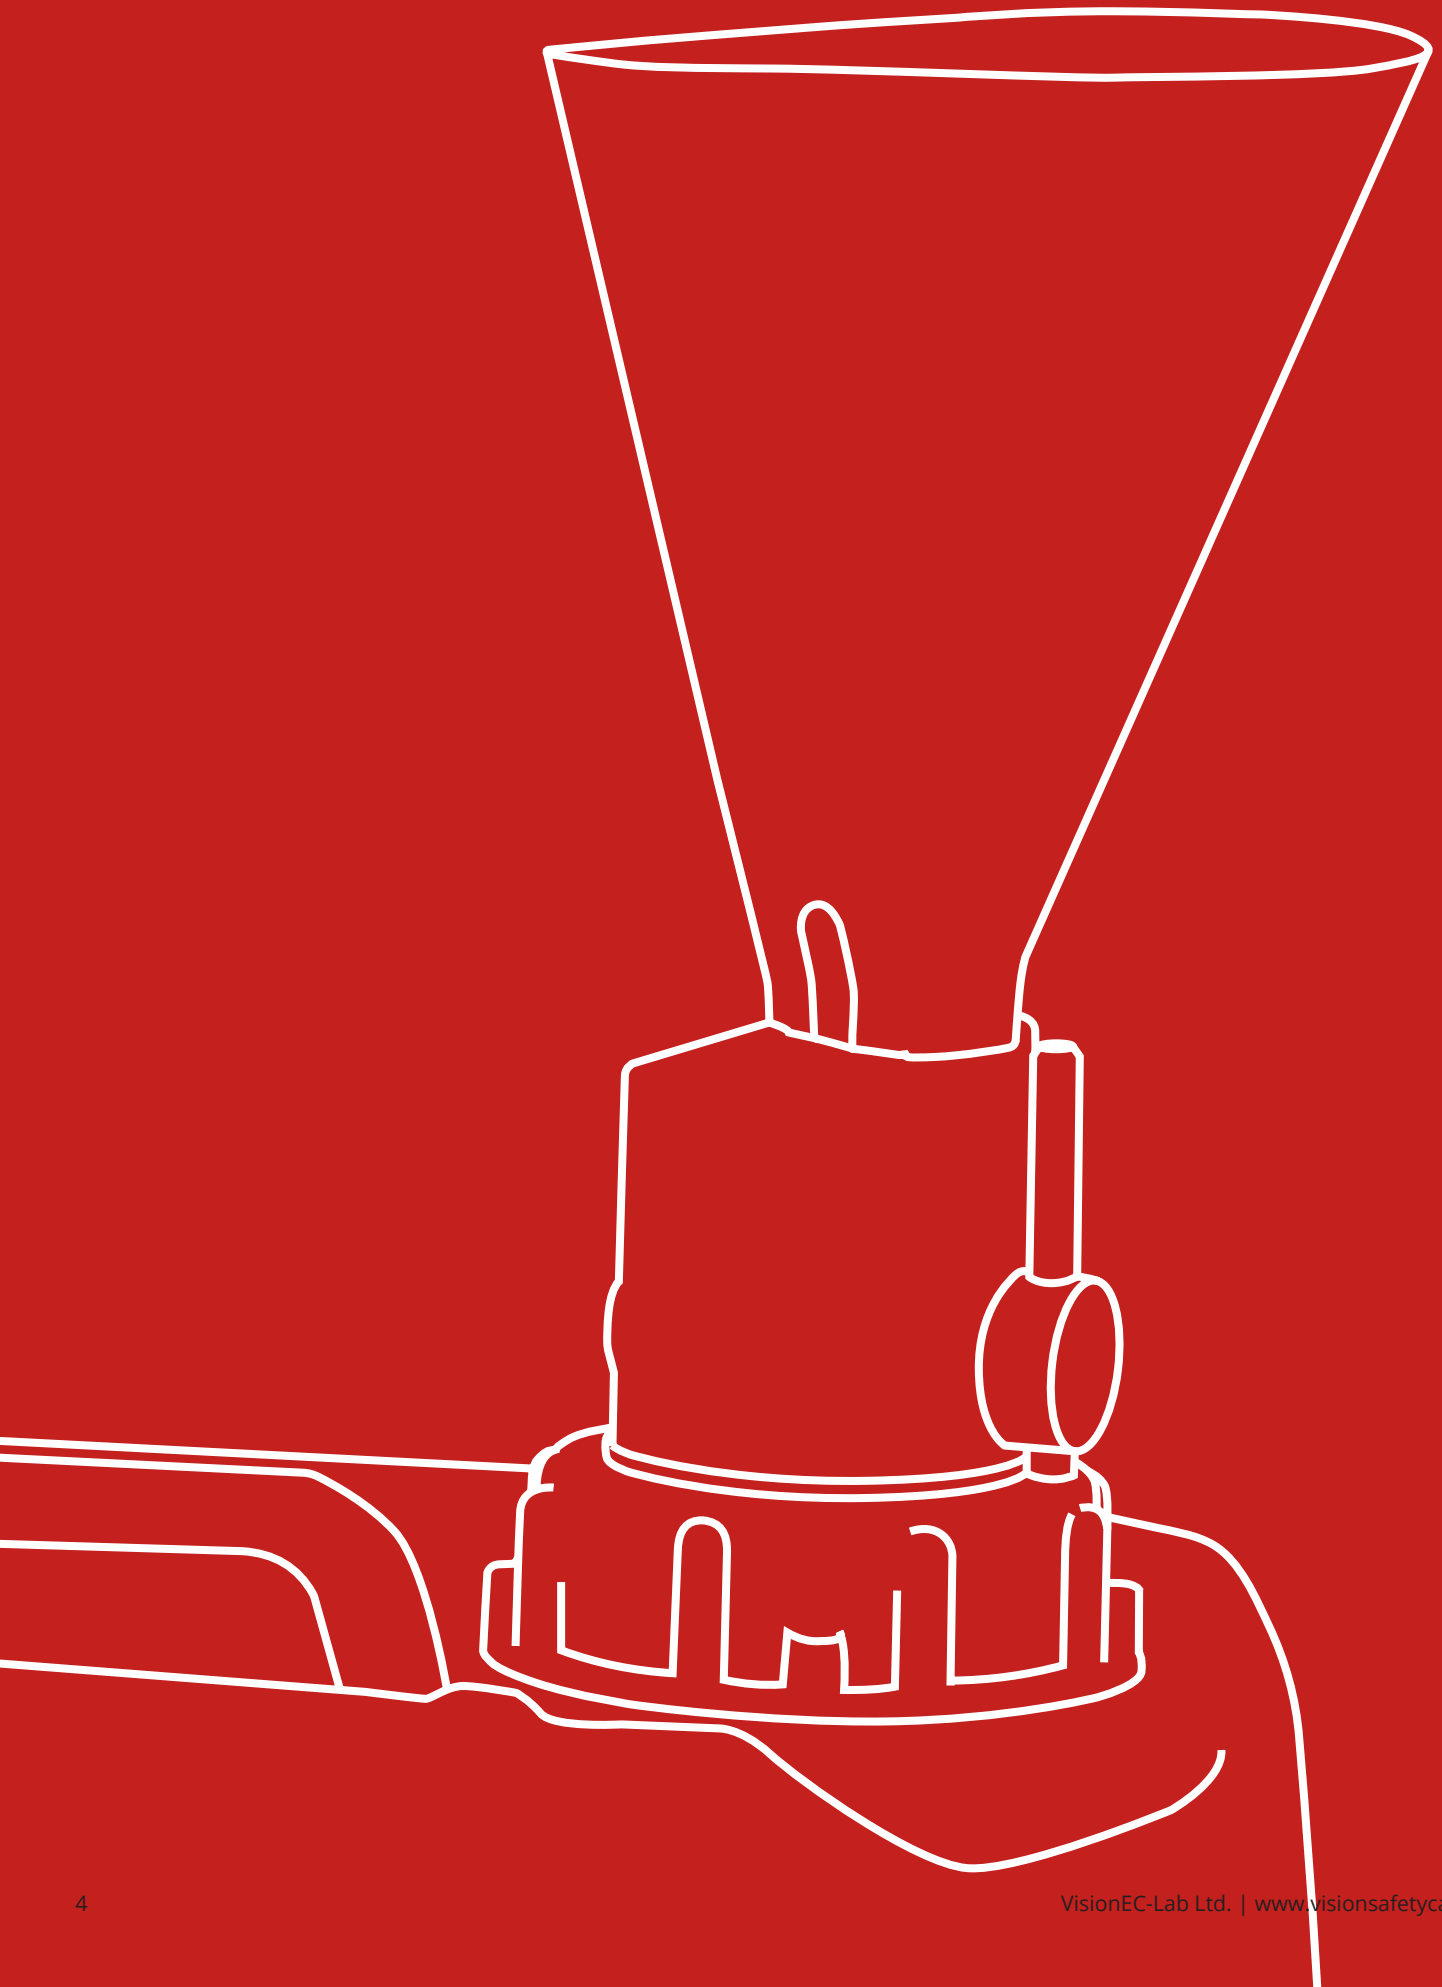

Volume: 1000ml

Available sizes:
²GL45/DIN45; DIN51/S55;
DIN60/61; DIN71; 53B; 83B

Safety funnels with valve

and threaded ports

Safety funnels with valve

for waste canisters

If the funnel is used without HPLC, the port can be sealed with a blind plug. An exhaust filter must be used to avoid pressure build-up in the container when used in continuous waste disposal mode (e.g.: connected to an HPLC system).

Safety Funnels with Valve*

Funnels with valve for waste canisters with 1/4"-28 open ports

VLF45-0002-TW	DIN45 Safety Cap with safety funnel and 2 ports	1 / package
VLF45-0011-TW	DIN45 Safety Cap with safety funnel and 2 ports	1 / package
VLF61-0002-TW	DIN60/61 Safety Cap with safety funnel and 2 ports	1 / package
VLF61-0011-TW	DIN60/61 Safety Cap with safety funnel and 2 ports	1 / package

* Wetted materials are: PP (Polypropylene), PTFE (Teflon)

Safety funnels with valve

for general waste disposal

Manual valve made of PTFE to provide exceptional chemical resistance

Safety Funnels with Valve

Funnels with valve for DIN60/61 canisters

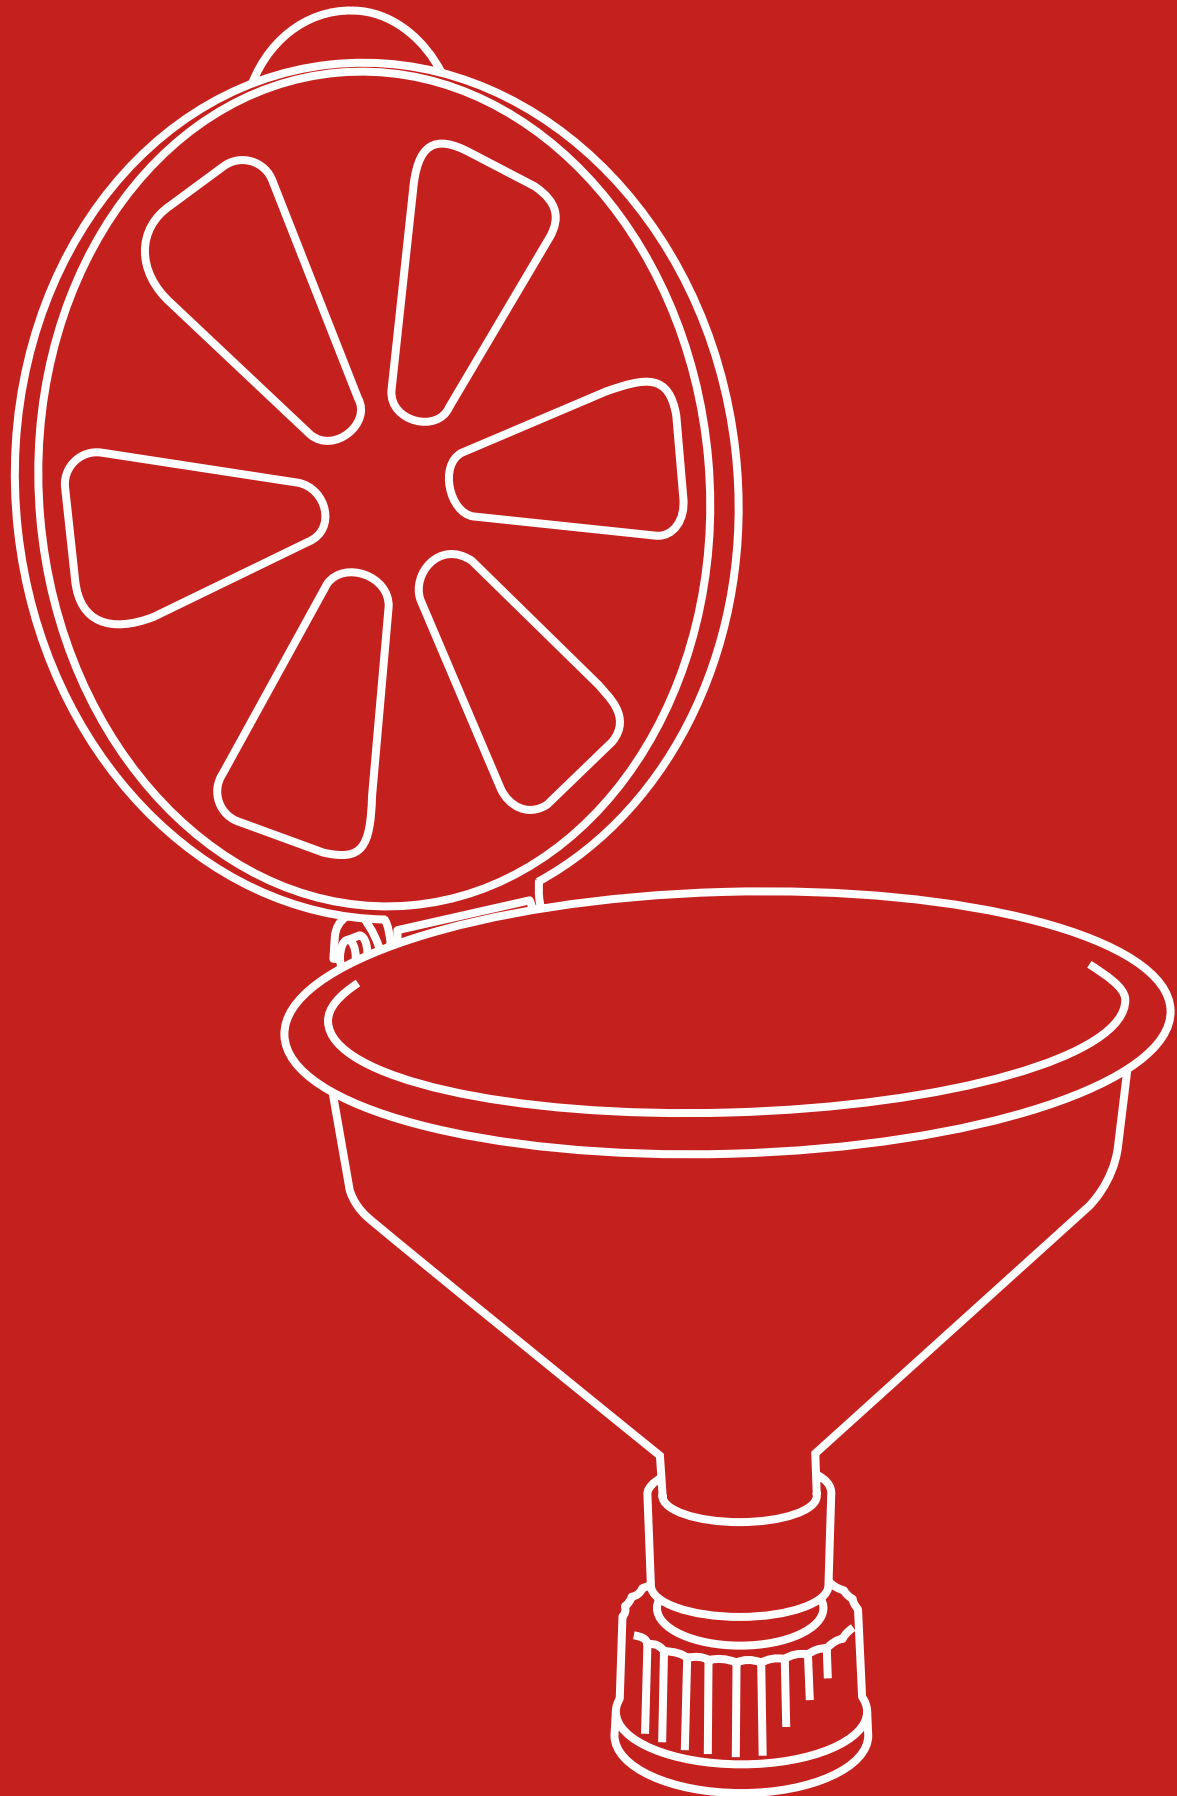

VLF-X02-61*	DIN60/61 Cap with safety funnel, diameter 155mm with removable sieve	1 / package
VLF-X03-61**	DIN60/61 Cap with safety funnel, diameter 150mm with built-in sieve	1 / package

* Wetted materials are: PP (Polypropylene), PTFE (Teflon), Brass

** Wetted materials are: PP (Polypropylene), PTFE (Teflon)

General laboratory

safety funnels with lid

Safety funnels with lid

Available for different cap sizes:
GL45/DIN45, DIN51/S55, DIN60/61, 53B
and many more

**A wide selection of colors
are available**

For available part numbers please check page 14!

PP lid with click-closure

360° free funnel rotation

harmful vapors
are captured
inside

DID YOU KNOW?

With different colours, you can easily identify and store different types of waste such as organic, aqueous, chlorinated, etc.*

* Wetted materials are:
PP (Polypropylene),
PTFE (Teflon)

burpless adapter inside
made of PTFE with excellent
chemical resistance consisting SIEVE

Conductive safety funnels

Part No.	Description	Unit
ESD SAFETY FUNNELS and Canisters		
VLF61-L007	ESD Safety Funnel (black PP) and Lid (black) with DIN60/61 Safety Cap (black)	EA
VLK61-10EL	10L ESD Canister with level sensing (DIN60/61) 300x200x258mm, black, ADR Y1,5	EA
VLK61-20EL	20L ESD Canister with level sensing (DIN60/61) 300x200x495mm, black, ADR Y1,5	EA

Part No.	Description	Unit
ESD COLLECTING TRAYS		
VLT-001	Plastic Collecting Tray 400x300x170mm, black	15l
VLT-002	Plastic Collecting Tray 300x200x170mm, black	7,6l
VLT-003	Plastic Collecting Tray 400x300x270mm, black	26l
VLT-004	Plastic Collecting Tray 600x400x170mm, black	35l

Grounding cable

ESD spill trays

XL funnel with lid

Safety Funnel with Valve*		
Funnel with valve for DIN60/61 canisters		
VLf-X01-61	PP Funnel with lid, diameter: 250mm; Including adaptor for DIN60/61 canisters	1 / package
VLf-XM1-61	PP Funnel with mechanical level sensing and lid, diameter: 250mm; Including adaptor for DIN60/61 canisters	1 / package

* Wetted materials are: PP (Polypropylene)

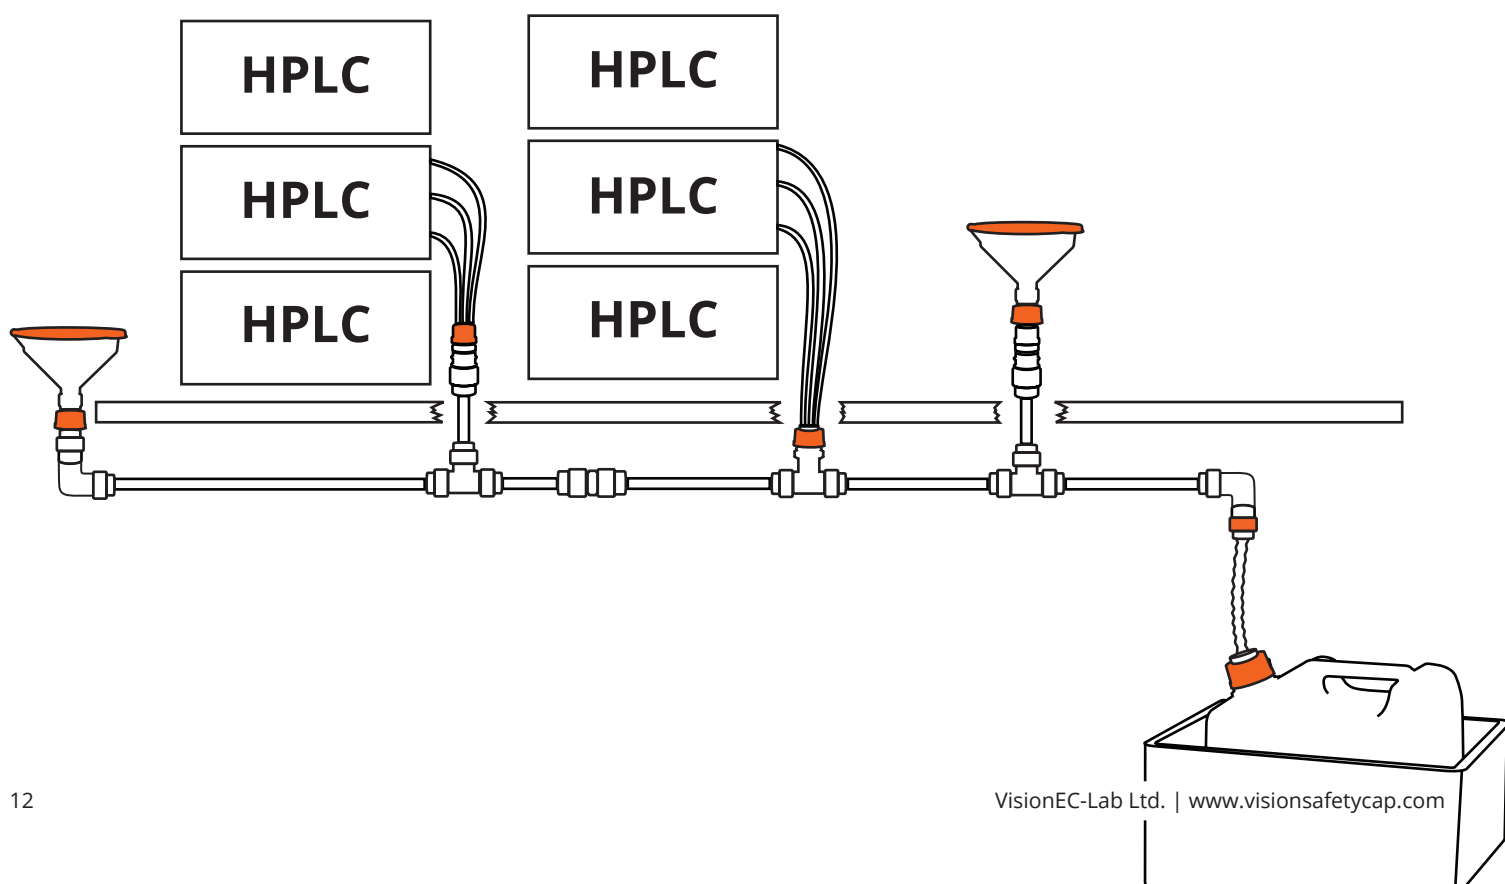

CWS - Central Waste Systems

We design and build the waste solvent collection system from easy-to-install elements according to your individual needs.

**OEM requests
are welcome!**

Integrated waste managing systems are available for laboratory furnitures

Contact us! For more technical information and availability please visit www.visionsafetycap.com

Connectors for the CWS system

Three-way tube connector

Union

Elbow connector

Flexible tube connector

CWS adapters

In-line threaded adapter

GL45 threaded adapter

Elbow threaded adapter

Waste container connector

Accessories

Adjustable length tube holder

HDPE tubing

Tube holder

Corrugated flexible PP tubing

Part numbers

for Vision Funnels

Safety Funnels with Valve

Funnels with valve for waste canisters with 1/4"-28 open ports

VLF45-0002-TW	DIN45 Safety Cap with safety funnel and 2 ports	1 / package
VLF45-0011-TW	DIN45 Safety Cap with safety funnel and 2 ports	1 / package
VLF61-0002-TW	DIN60/61 Safety Cap with safety funnel and 2 ports	1 / package

Funnels with valve for DIN60/61 canisters

VLF-X02-61	DIN60/61 Cap with safety funnel, diameter 155mm with removable sieve	1 / package
VLF-X03-61	DIN60/61 Cap with safety funnel, diameter 150mm with built-in sieve	1 / package

XL Safety Funnels with Lid

XL Funnels with Lid for DIN60/61 canisters

VLF-X01-61	PP Funnel with lid, diameter 250mm Including adaptor for DIN60/61 canisters	1 / package
VLF-XM1-61	PP Funnel with mechanical level sensing and lid, diameter 250mm Including adaptor for DIN60/61 canisters	1 / package

Safety Funnels with Lid

Safety Funnels with Lid for GL45 bottles

VLF45-L001	Safety Funnel (neutral PP) and Lid (red) with GL45 Safety Cap (red) Ea	EA
VLF45-L002	Safety Funnel (neutral PP) and Lid (yellow) with GL45 Safety Cap (yellow) Ea	EA
VLF45-L003	Safety Funnel (neutral PP) and Lid (orange) with GL45 Safety Cap (orange) Ea	EA
VLF45-L004	Safety Funnel (neutral PP) and Lid (green) with GL45 Safety Cap (green) Ea	EA
VLF45-L005	Safety Funnel (black PP) and Lid (black) with GL45 Safety Cap (black) Ea	EA
VLF45-L006	Safety Funnel (black PP) and Lid (black) with GL45 Safety Cap (yellow) Ea	EA

Safety Funnels with Lid for DIN45 canisters

VLF45-L007	Safety Funnel (neutral PP) and Lid (red) with DIN45 Safety Cap (red)	EA
VLF45-L008	Safety Funnel (neutral PP) and Lid (yellow) with DIN45 Safety Cap (yellow)	EA
VLF45-L009	Safety Funnel (neutral PP) and Lid (orange) with DIN45 Safety Cap (orange)	EA
VLF45-L010	Safety Funnel (neutral PP) and Lid (green) with DIN45 Safety Cap (green)	EA
VLF45-L011	Safety Funnel (black PP) and Lid (black) with DIN45 Safety Cap (black)	EA
VLF45-L012	Safety Funnel (black PP) and Lid (black) with DIN45 Safety Cap (yellow)	EA

Safety Funnels with Lid for 53B canisters

VLF53-L001	Safety Funnel (neutral PP) and Lid (red) with 53B Safety Cap (red)	EA
VLF53-L002	Safety Funnel (neutral PP) and Lid (yellow) with 53B Safety Cap (yellow)	EA
VLF53-L003	Safety Funnel (neutral PP) and Lid (orange) with 53B Safety Cap (orange)	EA
VLF53-L004	Safety Funnel (neutral PP) and Lid (green) with 53B Safety Cap (green)	EA
VLF53-L005	Safety Funnel (black PP) and Lid (black) with 53B Safety Cap (black)	EA
VLF53-L006	Safety Funnel (black PP) and Lid (black) with 53B Safety Cap (yellow)	EA

Safety Funnels with Lid for DIN51/S55 canisters

VLF55-L001	Safety Funnel (neutral PP) and Lid (red) with DIN51/S55 Safety Cap (red)	EA
VLF55-L002	Safety Funnel (neutral PP) and Lid (yellow) with DIN51/S55 Safety Cap (yellow)	EA
VLF55-L003	Safety Funnel (neutral PP) and Lid (orange) with DIN51/S55 Safety Cap (orange)	EA
VLF55-L004	Safety Funnel (neutral PP) and Lid (green) with DIN51/S55 Safety Cap (green)	EA
VLF55-L005	Safety Funnel (black PP) and Lid (black) with DIN51/S55 Safety Cap (black)	EA

Safety Funnels with Lid for DIN60/61 canisters

VLF61-L001	Safety Funnel (neutral PP) and Lid (red) with DIN60/61 Safety Cap (red)	EA
VLF61-L002	Safety Funnel (neutral PP) and Lid (yellow) with DIN60/61 Safety Cap (yellow)	EA
VLF61-L003	Safety Funnel (neutral PP) and Lid (orange) with DIN60/61 Safety Cap (orange)	EA
VLF61-L004	Safety Funnel (neutral PP) and Lid (green) with DIN60/61 Safety Cap (green)	EA
VLF61-L005	Safety Funnel (black PP) and Lid (black) with DIN60/61 Safety Cap (black)	EA
VLF61-L006	Safety Funnel (black PP) and Lid (black) with DIN60/61 Safety Cap (yellow)	EA
VLF61-L007	ESD Safety Funnel (black PP) and Lid (black) with DIN60/61 Safety Cap (black)	EA
